

# Dr. Marcia Gibbs Credle

EDUCATOR | AUTHOR | INSPIRATIONAL COACH  
MOTIVATIONAL SPEAKER | BUSINESS OWNER

Humble. Authentic. Supportive. These are just a few words to describe, Marcia Credle. As an Educator, Author, Motivational Speaker, Inspirational Coach, and Founder and CEO of Credle Inspired Enterprises, Marcia has made her conviction, her mission. Originally from New Bern, NC; Marcia has learned the value of showing love, support, and humility to others who may not ever receive it. Throughout Marcia's life, she has felt a persistent burden and responsibility towards women and their life journeys. This deep-seated passion and prayer in her heart was finally manifested in 2017 with the creation of Credle Inspired Enterprises. Being an educator for over 25 years has created in Marcia the heart of a servant and mentor. In collaboration with MCIE, she makes it her mission to create safe spaces and environments for women to gather and be encouraged.
